

Protect

Stone, tile, masonry and grout can vary in porosity. If not properly treated with a protective sealer, water, oils and other liquids can easily penetrate, leaving unsightly stains that damage the surface. STONETECH® protective sealers penetrate into the surface to ensure stone, tile, masonry and grout are ready for everyday use.

General Use Sealers

STONETECH® BulletProof® Sealer

- Maximum stain protection
- Best protection for the most porous surfaces
- Preserves the original look of the surface
- Interior and exterior use
- Water-based

Recommended Surfaces: Porous Natural Stone, Tile, Masonry and Grout such as: Marble, Granite, Quartzite, Limestone, Bluestone, Travertine, Sandstone, Flagstone and Saltillo Tile.

Available Sizes:

- 473 mL (Pint)
- 946 mL (Quart)
- 3.8 L (Gallon)
- 18.9 L (5-Gallon)

STONETECH Heavy Duty Sealer

- Advanced stain protection
- Preserves the original look of the surface
- Interior and exterior use
- Water-based

Recommended Surfaces: Natural Stone, Tile, Masonry, Grout and Engineered Stone such as Marble, Granite, Quartzite, Limestone, Slate, Bluestone, Travertine, Sandstone, Flagstone, Saltillo Tile, Porcelain Tile and Quartz.

Available Sizes:

- 473 mL (Pint)
- 946 mL (Quart)
- 3.8 L (Gallon)
- 18.9 L (5-Gallon)

STONETECH Stone, Tile & Grout Sealer

- Stain protection
- Preserves the original look of the surface
- Interior and exterior use
- Water-based

Recommended Surfaces: Natural Stone, Tile, Masonry, Grout and Engineered Stone such as Polished Marble, Granite, Polished Limestone, Slate, Polished Travertine, Porcelain Tile and Quartz.

Available Sizes:

- 946 mL (Quart)

STONETECH Impregnator Pro® Sealer

- Advanced stain protection
- Preserves the original look of the surface
- Interior and exterior use
- Solvent-based

Recommended Surfaces: Natural Stone, Tile, Masonry, Grout and Engineered Stone such as: Granite, Limestone, Marble, Slate, Bluestone, Travertine and Sandstone and Quartz.

Available Sizes:

- 473 mL (Pint)
- 946 mL (Quart)

Exterior Sealers

STONETECH Salt Water Resistant Sealer

- Maximum protection against salt water damage and de-icing salts
- Protects against water-based stains
- Preserves the original look of the surface
- Water-based formula

Recommended Surfaces: Best suited for porous substrates. Treatment around salt water pools: Natural Stone, Porous Tile, Concrete Pavers, Terracotta and Grout. Protection against de-icing salts: Poured Concrete, Aggregate, Pavers, and Flagstone. Not intended for use on surfaces that have previously been exposed to salt water and/or de-icing salts.

Available Sizes:

- 3.8 L (Gallon)
- 18.9 L (5-Gallon)

STONETECH Heavy Duty Exterior Sealer

- Advanced stain protection against water-based stains
- Minimizes efflorescence
- Exterior use – weather resistant
- Solvent-based

Recommended Surfaces: Natural Stone, Masonry, and Grout such as Granite, Slate, Travertine, Sandstone, Tumbled Stone and Concrete.

Available Sizes:

- 946 mL (Quart)

Grout

STONETECH Heavy Duty Grout Sealer

- Heavy duty protection against most stains
- Protects grout and makes cleaning easier
- Preserves natural look
- Interior and exterior use
- Water-based

Recommended Surfaces: Cement-based Grout for Natural Stone, Ceramic and Porcelain Tile.

Available Sizes:

- 709 mL (24 oz) Spray Bottle
- 473 mL (Pint)
- 946 mL (Quart)

STONETECH Grout Release

- Makes grout installation clean-up easier
- Prevents grout from staining stone
- Interior and exterior use
- Water-based

Recommended Surfaces: Natural Stone, and Masonry such as Marble, Limestone, Travertine, Slate, Sandstone, Tumbled Stone, and Concrete. Not recommended for use on Ceramic and Porcelain Tile or dense (low absorbency) Stone.

Available Sizes:

- 3.8 L (Gallon)

Clean

When cleaning stone, tile, masonry and grout it's important to use cleaners specially formulated for those surfaces. Many general purpose cleaners contain acidic and alkaline ingredients, abrasives, or ammonia that can break down sealers and damage stone surfaces. STONETECH® cleaners are carefully formulated by scientists who understand how to care for stone and tile surfaces. Choose from daily cleaners or heavy duty, problem solving solutions.

Daily Use

STONETECH Revitalizer® Cleaner & Protector

- 2-in-1 – Cleans and reseals
- Built-in sealer reinforces protection
- Gentle formula
- Makes surfaces easier to clean
- Available in citrus and cucumber scents
- Ready-to-use and concentrate formulas

Recommended Surfaces: Natural Stone and Grout such as Marble, Granite, Limestone, Travertine, Quartzite, Slate, Sandstone and Flagstone.

Available Sizes:

- 709 mL (24 oz) Spray Bottle
- 3.8 L (Gallon)

STONETECH Stone & Tile Cleaner

- Daily cleaner
- Gentle, pH neutral formula
- Removes everyday spills, dirt and grease
- Ready-to-use and concentrate formulas
- Clean, fresh scent

Recommended Surfaces: Natural Stone, Tile, Masonry, Grout and Engineered Stone such as Marble, Granite, Limestone, Travertine, Quartzite, Slate, Sandstone, Flagstone, Concrete, Ceramic Tile, Porcelain Tile and Quartz.

Available Sizes:

- 709 mL (24 oz) Spray Bottle
- 3.8 L (Gallon)

Heavy Duty / Problem Solvers

STONETECH KlenzAll™ Cleaner

- Removes tough dirt, grease and grime
- Heavy duty strength
- Safe on stone, will not etch
- Water-based alkaline formula
- Prepares surface for resealing
- Ready-to-use and concentrate formulas

Recommended Surfaces: Natural Stone, Tile, Masonry and Grout surfaces such as Marble, Granite, Limestone, Travertine, Quartzite, Slate, Sandstone, Flagstone, Concrete, Ceramic Tile, and Porcelain Tile.

Available Sizes:

- 709 mL (24 oz) Spray Bottle
- 946 mL (Quart)
- 3.8 L (Gallon)

STONETECH Restore™ Acidic Cleaner

- Removes dirt, hard water deposits, grout haze, efflorescence and rust
- Professional strength
- Acidic water-based formula
- Concentrate formula

Recommended Surfaces: Tile, Grout and Natural Stone such as Ceramic Tile, Porcelain Tile, Granite, Slate, and Sandstone. **Do NOT use on coloured Concrete, dyed Granite, and acid-sensitive stones such as Marble, Limestone, and Travertine.**

Available Sizes:

- 946 mL (Quart)

STONETECH Oil Stain Remover

- Pulls out deep-set oil grease stains
- Leaves no permanent residue
- Ready-to-use – just stir and apply
- Citrus scent

Recommended Surfaces: Natural Stone, Masonry and Cementitious Grout such as Marble, Granite, Limestone, Travertine, Quartzite, Slate, Sandstone and Concrete.

Available Sizes:

- 88.7 mL (3 oz) Can

STONETECH Epoxy Grout Haze & Coating Stripper

- Cleans epoxy grout and coatings in 10 minutes or less
- Non-runny gel is great for vertical applications
- Low odour and non-flammable
- Water-based formula – no methylene chloride

Recommended Surfaces: Natural stone, Tile and Masonry surfaces such as: Granite, Marble*, Limestone, Bluestone, Travertine, Sandstone, Slate, Flagstone, Quartzite, Concrete, Saltillo Tile, Quarry Tile, Ceramic Tile and Porcelain Tile.

*Not for use on highly sensitive Marbles

Available Sizes:

- 946 mL (Quart)
- 3.8 L (Gallon)

Warranty Kit

STONETECH Countertop Warranty Care Kit

- Maximum stain protection against common household food and beverages
- Protects new granite, marble, quartzite and basalt countertops
- Fully transferable warranty with title of property – no limitations
- Covers damaged portion of material and labour if stain cannot be removed.

25-Year Residential Warranty, 15-Year Commercial Warranty, 1-Year Outdoor or select granite Warranty.

Transform

Transform the look of your surface. Whether you prefer a deeper rich colour, a glossy finish, a simple polish or a complete refinsh – STONETECH can help bring your surface back to life! From colour enhancing, polishing, adding a gloss finish or complete restoration – our transform products can meet your needs.

Shine

STONETECH Polish

- Adds brilliant shine to polished stone
- No greasy film, will not streak
- Easy-to-use formula
- Great for kitchen and bathroom countertops

Recommended Surfaces polished Natural Stone such as: Marble, Granite, Limestone, Travertine and Quartzite. NOT FOR USE ON FLOORS. MAY CREATE SLIPPING HAZARD.

Available Sizes:

- 709 mL (24 oz) Spray Bottle

Colour Enhancing Sealers

STONETECH Enhancer Pro™ Sealer

- Deepens colour
- Maximum stain protection – no gloss
- Weather and UV resistant
- Interior and exterior use
- Solvent-based

Recommended Surfaces: Porous Natural Stone, Masonry and Grout such as Bluestone, Slate, Travertine, Sandstone, Limestone, Granite, Marble, Flagstone, Textured stone, Flamed Stone, and Tumbled Stone.

Available Sizes:

- 473 mL (Pint)
- 946 mL (Quart)

STONETECH Enhancer & Sealer

- Deepens colour
- Provides stain protection – no gloss
- Interior use
- Easy to use, water-based formula

Recommended Surfaces: Unpolished Natural Stone, Masonry, and Grout surfaces such as Bluestone, Slate, Travertine, Limestone, Flagstone, Textured Stone, Flamed Stone, Tumbled Stone and Concrete.

Available Sizes:

- 946 mL (Quart)

STONETECH High Gloss Finish & Sealer

- Provides a brilliant shine and deepens colour
- Protects against water and oil-based stains
- Interior use
- Water-based, heavy duty topical coating
- Also available in Semi Gloss finish

Recommended Surfaces: Natural Stone, Porous Tile, Masonry and Grout such as: Slate, Textured Limestone, Textured Travertine, Concrete, Saltillo Tile, Bluestone, Sandstone, and Flagstone. Not intended for use on glazed, honed, polished, or non-absorbing surfaces, wood floors and decks, showers, countertops, or near pool areas.

Available Sizes:

- 946 mL (Quart)

STONETECH Semi Gloss Finish & Sealer

- Provides a light sheen and deepens colour
- Protects against water and oil-based stains
- Interior use
- Water-based, heavy duty topical coating
- Also available in High Gloss finish

Recommended Surfaces: Natural Stone, Porous Tile, Masonry and Grout such as: Slate, Textured Limestone, Textured Travertine, Concrete, Saltillo Tile, Bluestone, Sandstone, and Flagstone. Not intended for use on glazed, honed, polished, or non-absorbing surfaces, wood floors and decks, showers, countertops, or near pool areas.

Available Sizes:

- 946 mL (Quart)

Restoration

STONETECH Honing Powder

- Creates an even, honed, flat finish
- Prepares stone for polishing
- Different grits eliminate mild to deep scratches
- Non-acidic
- Available in 180, 280, 400, 600 and 800 grit levels
- Designed for professional use

Recommended Surfaces: Natural Stone such as most Marble, Limestone, Travertine, and Terrazzo.

Available Sizes:

- 850 g (1 lb 14 oz) Bottle

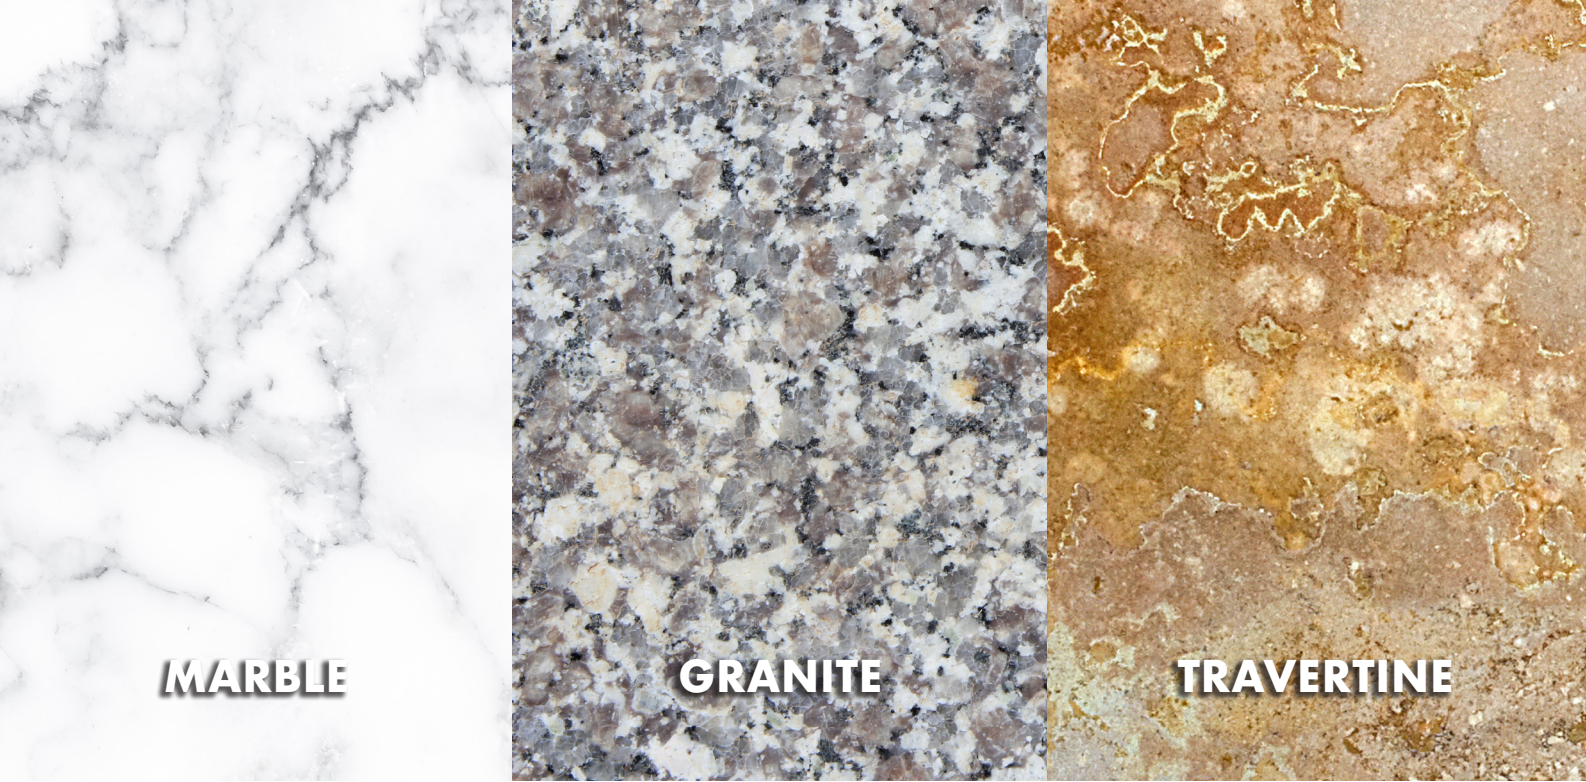

STONETECH Polishing Powder

- Creates smooth, satin finish
- Eliminates etch marks and light wear patterns
- Non-acidic
- Designed for professional use

Recommended Surfaces: Natural Stone such as most: Marble, Limestone, Travertine, and Terrazzo.

Available Sizes:

- 708 g (1 lb 9 oz) Bottle
